## *Lunch with Flamenco Show - Restaurante La Piscina*

Saturday 9<sup>th</sup> February 2019

Way back in January and March 2015 we organised 2 trips to Restaurante La Piscina when over 100 members came along and enjoyed lunch followed by a family orientated Spanish Flamenco show. Since then many new members have joined the Jávea U3A so we have decided to repeat this fun afternoon next February.

Set among the pine trees on the outskirts of Parcent, Restaurante La Piscina has much character, with a raised platform for the lively show. There is an extensive help yourself salad buffet to start, followed by a wide selection of main courses (chosen on the day).
