Re. Donation of € 1368.08 to Hazel White.

Dear friends

Once again thank you for the attention accorded to our good friends Ian and Hazel White, in their efforts to support one of our centers located in Benissa.

They spend several years much of his free time looking for resources to improve the quality of life of our users, as the current crisis also NGOs affects us a lot.

Thank you for your very generous donation for to help towards buying food for the Benissa house.

Take this opportunity to wish you a happy Easter holiday.

Cordially,
