FROM OUR PRESIDENT

With the lovely weather still with us, Autumn well on the way, and with Christmas approaching fast, time just seems to be flying by at an alarming rate. It seems like only last week I was writing the September Newsletter article, and yet here I am being badgered by Carol to get the October article in for printing!

So what has happened in the last month on the U3A scene? The travel group under their new leader JBS, being aided and abetted by Mike Frost before he finally hands over next month, have already made an excellent start to planning the travel programme for 2012. I urge everyone to look closely at the travel newsletter to get the information on our forthcoming travel trips, and if any of these are of interest to you, then please do get your names down sooner rather than later if you are not to be disappointed.

The Committee have received a number of suggestions for our nominated charity for 2012, and these were discussed along with other ideas at our meeting last week. I am pleased to announce that we have unanimously agreed that our nominated charity for 2012 will be Cancer Care - Javea (Charity No 8270). In conjunction with the Cancer Charity Centre Shop, all monies raised are donated to hospitals (equipment), research, patient care, and individuals, together with other cancer-related organisations. As part of a research project called ECMOR, the charity have already purchased the latest machine that researches and individualises cancer diagnosis and treatment for each patient. This machine is to be placed in the oncology section at Denia Hospital. The charity have further pledged to raise a further 20,000 – 30,000 Euros a year for maintenance of this machine, and as our nominated charity, we hope to assist in raising some of this money for the benefit of every one needing such treatment. We will be discussing how we can best help in this venture over the next few months.

The website has now been revamped and reopened on its new domain, and transfer to the new site appears to have gone well with the all links and functions operating superbly. Our GREAT thanks go to the

whole of the web team, particularly Clive White who did so much work on getting the new site up and running on the new software purchased earlier in the year. All have done a magnificent job in getting the site revamped and re-organised for the benefit of us all. Yet once again, I urge everyone to make full use of the website for the retrieval of information on all our activities and events. Additionally, there is a terrific amount of information available on the site on other local events and activities, which is not available anywhere else. So please, do make use of it!

We have a very interesting topic for our speaker for this month, who will be telling us more about the plans and proposals being made within the newly elected Javea Ayuntamiento planning department, a topic which I am sure will be of great interest to us all.

Please keep a close eye on announcements concerning our forthcoming events. Peter Speer and his team are already working on several events over the Autumn and into the New Year, so to avoid disappointment, make a note of what is going on, and book early for anything that is of interest to you.

Finally, I have more sad news to report that two of our members have sadly passed away over the past few weeks. Ken Vickers, one of our stalwart members of the snooker group passed away following a long cancer-related illness, on 12th October. Judie Mellars, who had put herself forward to help as teacher at our beginners Art Group, sadly passed away on 17th October. Our deepest condolences go to all their families and friends as they come to terms with their tragic loss.

I look forward to joining in with our programme of events and activities over the coming months, and to hopefully meeting as many as possible of our members over the weeks ahead.

KEN VICKERS - DIED WEDNESDAY 12 OCTOBER 2011

It is with great sadness that I have to announce that Ken Vickers passed away on 12th October 2011 following a long illness. He had recently been diagnosed with a form of asbestos related cancer. During his earlier working life, Ken had worked as a fireman.

Ken was, in particular, a popular member and a stalwart of the snooker group, and he and his wife Margaret particularly enjoyed the travel and dining out group activities in the U3A. Ken at all times proved to be a real gentleman - kind and caring with a great sense of humour, and all who knew him will miss him. I know that we would all wish to send our deepest condolences and sympathy to his wife Margaret and to the rest of his family as they struggle to come to terms with their tragic loss.

JUDIE MELLARS - DIED MONDAY 18 OCTOBER 2011

Again, with great sadness, I have to announce that Judith (known to all as Judie) Mellars passed away following a short illness on 12th October 2011. Although only a recently joined member of the U3A, Judie had already started to play an active part in U3A activities, putting herself forward to assist our beginners Art Group which was much in need of a capable teacher helping to run their activities. Judy continued to hold these classes even when during the latter stages of her illness, she was obviously unwell and in pain. Judie was a very talented and lovely person, and she will be sadly missed by all her students who benefited from her dedication, and enjoyed her tuition.

Judie and her husband John were active participants in other U3A activities, and were much respected and popular members of the groups with which they were involved. I know that we would all wish to send our deepest condolences and sympathy to her husband John, and to the rest of his family as they come to terms with their sudden loss.

SPEAKERS FOR 2012

JANUARY 2012 - Open Meeting

29 FEBRUARY 2012 - TEN THINGS YOU MAY NOT KNOW ABOUT BREAST CANCER. . . . by Lindsay Johnson

Breast cancer is becoming increasingly common throughout the developed world and within the UK over 40,000 new cases are diagnosed each year. Why is this disease becoming more common? What factors put some people at greater risk than others? What can individuals do to minimise their own risk? This talk aims to answer all these questions and more.

MARCH 2012 - Annual General Meeting

25 APRIL 2012 - THE EXCAVATION OF THE MARY ROSE - A TIME CAPSULE OF LIFE ON A TUDOR WARSHIP by Dawn Perrier Baker

The Mary Rose was the flagship of Henry VIII's naval fleet; on the 19th July 1545 in a battle with the French Armada just outside Portsmouth Harbour, the Mary Rose sank suddenly with 700 men on board. Apart from a few attempts to explore the wreck in the 1800s, it remained untouched for 500 years when in 1979-1982 a team of divers and marine archaeologists from the newly formed Mary Rose Trust embarked on a project to excavate the contents of the ship and bring to the surface the remains of the hull of the Mary Rose. This was successfully achieved in 1982 and the remains of the ship and all its contents are now housed in the Mary Rose Museum in Portsmouth. The Mary Rose Project is significant because its contents, the personal possessions and even the men on board remained intact, preserved in the soft mud of the Solent for 500 years, providing a 'time capsule' of life on board a Tudor warship.

Dawn Perrier Baker was a young diver and part of the team involved in this fascinating excavation and is now active in promoting the work of the Mary Rose Trust. In her talk Dawn will give her personal experiences of the original dives and excavation work and show some of the artefacts raised and talk about what the Mary Rose Project has taught us about Tudor life.

30 MAY 2012 - "From Ancient Greece to London E15: The Olympic Story" by Peter Atkinson

Peter will begin with the development of the games at Olympia and their place in Greek society, from their 776BC origins to their abolition around 400AD with Christian suppression of the worship of pagan gods. We shall then explore the evolution of the modern games from Athens in 1896 to London in 2012. In addition to some remarkable athletic performances and examples of international harmony, it is a story of rampant nationalism, political manipulation, boycotts, terrorism, conflict between amateurism and professionalism, commercialisation, corruption, and cheating.

27 JUNE 2012 - Still to be filled

26 SEPTEMBER 2012 - BUDGET AIRLINES by Alan Blake

Most of us will have experienced use of these airlines, and we should be given some detail on the background and reasons for the various problems and frustrations some of us may have experienced?

Thanks to Graham Castleton for taking over the **Solos on Sunday** Group. Very many thanks to Marion Monsell for all her efforts in making the Group so successful over the past 7 years.

FEATURED GROUP **The History Group**

Group Leader	Peter Atkinson
Email address	petergillatkinson@yahoo.co.uk
Venue	Jávea Players' Studio (behind Bookworld España)
Date and time	Usually (but not always) the 2 nd Monday in the month, at 1.15

The group is one of the U3A's longest-established. Earlier this month, we held our 50th meeting (more than six years after the first) when Angela Chantry spoke on "The Seven Wonders of the Ancient World".

Each meeting features a talk on some aspect of history in an atmosphere which is friendly, informal and not overly academic. The programme is always wide-ranging in terms of the subject matter and the time periods and geographical territory covered. It's not like history as you may remember it in school because our talks are interesting, entertaining, well researched and well illustrated, and there are no tests or exams. And, while speakers are drawn from the group's members, no-one is under any pressure to contribute.

Mike Frost will speak at our next meeting on November 14 on the subject of "Peter the Great and St Petersburg", a biography of the Tzar and a then-and-now look at the city he founded. The balance of the 2011/2012 programme will cover: Law & Order in Victorian England; Mary Tudor; The Olympic Games from Ancient Greece to the Present; Juan Carlos I of Spain; the History of Namibia; The Decline of the Spanish Empire; and Mrs Wallis Simpson. (See the History Group page on the website for dates and speakers.)

To register an interest in the group, simply contact the leader who will add you to our emailing list; then come to the meetings that appeal to you.

NEW GROUPS

Play Reading Group

We have not had an enormous response to the new Play Reading Group. However, we will be at the next meeting if you would like to chat to us. It is open to any member who would like to read a play or if a bit shy listen to a few and join in when they feel they would like to.

We would initially have a meeting to meet all prospective members, ask what categories they would like to read – for instance, comedy, farce, drama, thriller, classic, Shakespeare, etc . We can then establish the readers and the listeners.

We have had many years in Amateur Drama Circles and I have many, many plays in my own library. Plays are easily obtained, however, from various websites so we would have to establish a costing. We could initially hold meetings in people's houses if the group is small but if it grows then we could possibly hire the Javea Players Studio Theatre. This is another thing we could discuss at our initial meeting as to whether we want to meet during the day or in an evening.

We would really appreciate hearing from anyone who is interested. Phone numbers 96 647 1455 or 630443335
Email grantpenelope@gmail.com

Look forward to hearing from you.....Penny & Keith Grant

Curry Club

The Curry club now has around 40 members. We have had two events dining at members houses. Our "opening night" attended by six members was held at Peter and Lorraine Allin's home on Friday 25th September where we enjoyed a delicious meal consisting of chilly prawns followed by Mughlai chicken curry and concluding with cardamom ice cream.

Our second event was on Friday 14th October held at Tom and Jean's and was attended by twelve group members. This time we started with a chat, no, not a gossip, but a delicious

dish of spicy chick peas together with two types of ratia and several chutneys, following which the main course was a lamb and spinach curry with a vegetarian curry, lemon rice and Bombay potatoes. The meal concluded with a traditional, very sweet, Indian mango dessert.

We are continuing to receive enquiries to join the group, but sadly, for now, we have had to draw a line under the membership because the events are held at member's houses. However, due to the popular response, we are looking at ways to extend the group's social activities, such as group visits to Indian restaurants, where numbers would not be a problem.

If you would like to register for the Curry Club to be involved with group visits to restaurants and to book a place on a reserve list for full membership, please e-mail thevindaloos@yahoo.co.uk.

Our December event will be at Restaurant Chez Angel on December 1st

Foodies Group

The foodies group met on Thursday 20th October at their new venue at El Canari in the Port. The topic was on The Cheeses of Spain and after a brief history of cheeses, the members then tasted 7 different varieties of cheeses from different regions and the

consensus was that we all have a lot to learn about enjoying Spanish cheese and we are all going to be a lot more adventurous now that we know how delicious some of the cheeses are!

The next meeting, on November 24th (Thursday) will take the form of our "Christmas" lunch. We have booked Restaurante Tosca and we have a delicious menu planned. If anyone who hasn't yet booked (by sending me an email) would like to do so, there are still a few places left, but please let me know before 31st October. To those who are already booked, I shall be sending a copy menu for them to select their choices.

Let's Talk Javea

As a group, we met as usual at the Parador on the 12th of October. All of which anticipated the talk due at this month's meeting on the process for revising Javea's Town Plan. Attendance at this will be a must for past and potential participants in LTJ!

Petanque Group

Javea Players

At the end of September a group of 20 petanque players from Javea played against Moraira U3a petanque group for the challenge trophy which was previously won by Javea. 10 Players from Javea played away at the Cumbre del Sol courts each couple playing 2 games. The score after the first leg was 6-4 to Moraira. The following day was the one and only day that the heavens had opened for some months so the game had to be postponed, but the dinner which was well attended by 44 people went ahead without a presentation! Two weeks later we were able to hold the second match which was played on our home ground at Costa Nova. This resulted in a draw at 5-5 which meant that Moraira just beat us at 11 games to 9. A presentation was held and Pam presented the trophy to Andy Keen the group leader for Moraira. The games were all played in the best of spirits and a very friendly atmosphere, and we look forward to the next challenge and regaining the trophy!

All new members welcome, we play every Thursday, 3pm, at Costa Nova. Please contact me for further details.

Travel Team

Your Travel Team has undergone some changes recently. A change of team leader and additional Travel Advisors make up the new team (details on the web)

Having just taken over, I am still getting to grips with the task in hand, I must express my thanks to Mike Frost and Diane Ord for their support and the dedication and hard work they have put in running numerous trips in the past. Diane continues with the team and Mike is taking a well-earned rest.

Our newer Travel Advisors, Gwen, Joni, Jan and Barbara are taking up the reins – and going full steam ahead to continue the service the travel team offer our members. Thanks to you all, perhaps our members don't realise the work involved in planning, organising and running a trip – it has certainly opened my eyes since I joined the team.

We are looking for more travel advisors to help the team – the level of commitment can be as small or as large as you would want it to be. If you are interested and would like to understand what you could do to help please contact us.

CHARITIES

CARITAS

Caritas is the main charity that Javea U3A will be supporting this year. In 2010 they were most grateful for the kind donations and fund-raising events that were held on their behalf, resulting in much needed funding being made available to support them in their efforts to provide help and assistance to those in great need in the Javea area. Our efforts really did make a difference and Caritas are very grateful for all the donations members are making. We hope to be undertaking more fund raising events later this year and we will be asking for ideas and support from members to be able to do this.

You can leave food items and other items, such as clothes, furniture etc. for this charity at the Fisherman's Church in the Port, Caritas Nuestra Sra. De Loreto, calle Pio X11 9, Aduanas del Mar, telephone 965792220, mobile 619689311. They are open on a Monday from 1800-1930 hours. They suggest you bring tins of tuna, biscuits, cola cao and quesitos. You can also donate food and clothes in the Old Town – Caritas de la Parroque de San Bartolome de Javea. They are open from 1600-1700 hours on a Monday. The address is Carrer Llotgeta – in the little road next to Casa del Cultura.

AT THE NOVEMBER MONTHLY MEETING WE WILL BE HAVING A CHRISTMAS COLLECTION OF FOOD ITEMS TO DONATE TO CARITAS. ANY DRIED OR TINNED GOODS OR ITEMS SUGGESTED ABOVE WILL BE GREATLY RECEIVED. LET'S SEE IF WE CAN EQUAL OR BEAT THE WONDERFUL DONATIONS THAT WERE GIVEN LAST YEAR.

Please support this very worthwhile charity for people in need. There are now so many people out of work and the assistance offered by the Spanish Government is limited. Every donation will be gratefully received. To read a copy of the latest Caritas newsletter go on to the Home Page web site – www.u3ajavea.org - and click on the link near the top of the page.

CHARITY 2012

After consulting members about the Charity we should support in the calendar year 2012 and considering options, the Committee have decided that Cancer Care Javea should be the charity that gets our support next year. I am sure members will give as generously and support functions held on their behalf as they have in previous years.

OTHER CHARITIES

For details and information about other charities please follow this link to the web site -
